COVID19 CARE PACKAGES (food and essential items)

We at Carrier Sekani Tribal Council (CSTC) understand the extraordinary times we are experiencing with the COVID 19 pandemic. It has impacted all of us in some way. Many families, Elders and our Prince George neighbours are experiencing challenges making ends meet. We wish to show our support and help during this time. We are all in this together and our strength as people will show in how we work together help each other.

This pandemic has made it especially challenging even for those who have not needed support before this crisis, with job losses and temporary layoffs, etc. We at the Tribal Council want to support our Indigenous brother and sister AND our neighbours in the Prince George area.
