RE: Clarification on HIC's recent Requests for Expressions of Interest

The BC First Nations Housing & Infrastructure Council (HIC) recently sent out three separate Requests for Expressions of Interest (EOI) for 4 (four) vacancies within the HIC structure. This memo will hopefully clarify confusion about the difference between these three requests, plus there was an error that HIC would like to correct on the closing date in a version of one of the requests.

There were 3 separate Requests for Expressions Of Interest as follows.

1. A request for one youth member (up to 25 years old) to sit on the Council itself. This is a mentorship position that will bring an emerging adult perspective and assist HIC in reaching out to the youth population in our communities.
2. A request for one specialist member to sit on the Council itself. This is a full council member who would ideally fill identified HIC skills gaps in infrastructure development and management and living and working in remote communities.
3. A request for 2 (two) positions who would act as Directors on HIC's parallel society (FNHIC-BC Corporate Management Society). This society manages all of HIC's legal and financial relationships including entering into contracts, monitoring contract performance and financial reporting on behalf of HIC.

All three Requests for Expressions of Interest close at **4:00 pm on Friday, September 27, 2019**. You must submit your EOI for one (or more) of these available positions to executive.assistant@fnhic-bc.ca before this time.

Please contact Garry Merkel, Executive Director at 250-427-0460 or executive.director@fnhic-bc.ca if you require more clarification or if you would like a copy of a Request For Expressions Of Interest that will provide more information on each available position.
